Registered locations will be sent an email confirmation within forty-eight (48) hours, with a web link provided for webcasting registrants and dial-in information and PIN code for audio conference registrants, including handout materials and/or resources.

On the day of the conference, audio conference participants simply join the call by dialing the toll-free number and giving your agency name and PIN code. Gather your staff and listen via speakerphone to the presentation, follow along with the handouts and participate in live, interactive Q&A.

If participating via the webcasting format, download and print handouts provided in email and click on the link! It's that easy! You will also have 60-day free access after each date to access again!

PLEASE NOTE: Registration fees are based on each dial-in connection; multiple call-ins from your agency will require separate registrations. We are unable to accommodate more than one agency per call-in
