CHRIS CHRISTIE
GOVERNOR

November 3, 2011

Dear Friends:

As Governor of the State of New Jersey, I am pleased to extend greetings to everyone gathered for the Home Care Association's Home Health Aide Recognition Day.

Since 1973, The Home Care Association has advocated for quality alternative care for those who do not wish to leave the security of their own home. As you all know, home care can be very demanding, and it takes dedicated, licensed home healthcare professionals to ensure that patients get the necessary and personalized attention they need. I applaud the Association for its work in providing high standard care and comfort to patients and their families.

I join with everyone present in recognizing New Jersey's home health aides and the professionals attending today's event for their service and commitment to the well being of their patients.

Best wishes to all for a memorable and enjoyable event.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Christie".

Chris Christie
Governor
