

Advanced OASIS Training for PDGM and D1 September 25, 2019

[REGISTER HERE](#)

We are pleased to bring you a half-day OASIS training session to help clinicians and coders prepare for PDGM and OASIS-D1. This session will be held on September 25 at Life Station @ 2 Stahuber Avenue, Union, NJ. Registration: 8:00 am. Program: 8:30am – 12:30 pm.

We have partnered with Fazzi Associates, long-time leaders in OASIS expertise, to bring you this valuable training.

Course Description: This program has everything your experienced clinicians and coders need to become OASIS ready for PDGM and OASIS-D1. First, it teaches OASIS as the foundation of goal directed, patient-centered care planning which will be even more critical for episode management under PDGM. Secondly, it provides targeted education on the OASIS Items that will drive the functional assessment part of the new HHRG calculation under PDGM. Further, it includes cross walk training on OASIS-D1 which also goes into effect on January 1, 2020.
