Four Reasons to Not Miss Out!

1. Expert Advice

Joint Commission experts will provide in-depth review of eligibility, survey process and standards while sharing key insights and best practices for a successful survey.

2. A Clear Plan of Action for Success

Accreditation simplified. In clear, simple steps the path to accreditation will be outlined so firms can immediately begin the process to meeting the May 21 deadline.

3. Tools in the Palm of Your Hand

Attendees will leave with take-away tools and checklists to gauge readiness, manage gaps in compliance and prepare for the accreditation survey.

4. Last (Best) Chance to Meet the Deadline

Don't wait until next year. Act now to ensure timely compliance with the May 21 deadline. Just for workshop attendees, staff will be processing application requests onsite.
