NJ Home CARE PAC (NJHCH PAC)

Just as other professions have recognized the critical importance of political action committees, home care and hospice professionals also have too much at stake to commit anything less than 100% to our political efforts. Support the legislators who support us! The NJ Home Care and Hospice Political Action Committee (NJHCH PAC) supports candidates who are receptive to home care and hospice issues, regardless of their political affiliation.

100% of the proceeds will be donated to the NJ Home Care & Hospice PAC.

NJ Home Care & Hospice Political Action Committee (NJHCH PAC) Golf Contribution

The Home Care & Hospice Association of NJ Board of Directors voted to create a political action committee, the NJ Home Care & Hospice PAC (NJHCH PAC) to offer members concerned with challenges confronting the home care community the means to support worthy candidates for state elected office. The purpose of NJHCH PAC is to support the full scope of home care providers, including home health agencies, hospices and health care service firms throughout New Jersey.

NJHCH PAC will support by lawful means candidates in New Jersey, regardless of their political affiliations, who are dedicated to good government and have an appreciation of the importance of health, home care and hospice providers and the services they offer.

Your participation in the NJHCH PAC produces greater political power. Protecting home care and hospice providers and the patients and families we serve cannot be done without commitment.

Your support is needed to elevate the voice of the home care and hospice community in NJ.
